

COASTLANDS ADVENT BIBLE READING PLAN: JOURNEY OF DISCOVERY

Advent means 'coming'. It is a season of preparation and reflection on Christ's first coming as a baby as well as His promised return: a period of hope, expectation and renewal. We begin our journey dwelling on the names of God. These are more than titles or labels but reveal His very nature and character. As we approach Christmas, we follow the narrative of Matthew and begin January glimpsing the promised return of Jesus.
