

# COASTLANDS BIBLE READING PLAN: FEBRUARY 2026

The Book of Nehemiah serves as a powerful account of restoration, both physically in the rebuilding of Jerusalem, and spiritually among the people, offering valuable lessons for us today. Nehemiah's leadership is characterised by prayer, planning and perseverance in the face of opposition. His actions are undergirded by prayer as he seeks God's guidance and strength. This is faith in action as the significance of prayer and reliance on God is emphasised throughout the rebuilding process, illustrating that a work or burden that is bathed in prayer can lead to divine blessings.
