

*"All these people died still believing what God had promised them. They did not receive what was promised, but they saw it all from a distance and welcomed it. They agreed that they were foreigners and nomads here on earth... they were looking for a better place, a heavenly homeland. That is why God is not ashamed to be called their God, he has prepared a city for them."* **Heb 11:13,16**

This month, we are exploring 'Heroes of Faith' from **Hebrews 11** - keep a bookmark in this chapter throughout July as we'll be using these verses to guide us to their stories. We will see the bigger narrative God is always working through the **faith** of His people; over generations and through all the ups and downs they faced. Let them inspire, challenge and encourage you!

What will God accomplish through **your** faith? What story is He telling through **us**, today?
